

VOTED NO.1 REFRUBISHMENT CENTRE

BEL QUIP CENTRE

**BOC**

A BAD DAY ON YOUR TRUCK,  
BEATS A GOOD DAY AT GOLF...

**Bel Quip Centre (B.Q.C.)** are one of very few well established aftermarket workshop facilities that are able to carry out bumper to bumper repairs or refurbishments totally in house.

Our company is able to carry out all minor or major repairs by highly skilled and qualified staff in our spotless, fully equipped workshop enviroment.

**Mechanical  
Electrical  
Boilermaking**

**Hydraulics  
Paint and Panel  
Re-glassing**

Our business is run in a professional honest manner, with the emphasis on attention to detail and a fix right first time policy.

We at **B.Q.C.** have all the necessary diagnostic equipment for all fault diagnosing on or off site.

We have also aquired the latest technology to perform hydraulic flushing due to any kind of pump failure, we are able to perform this on the machine through high air and fluid injection and filtration via a complex filter system. Without the aggravation of major down time or loss of income.

In association with "Proud to be South African Company"
